

Receipt of health and safety handbook

Jai Medical Centre have compiled a health and safety policy as legally required under the Health and Safety at Work etc Act 1974 and the Management of Health and Safety at Work Regulations, the full policy is available for inspection upon request.

To assist with the communication of information, the organisation will issue each employee with a reduced copy of the health and safety policy, this is in the form of a handbook. It is important that the contents of the handbook are read and understood prior to returning this acknowledgement slip.

I confirm that I have read and understand the employee health and safety handbook and will comply with all rules that are imposed in the interest of safety.
